**A version of the Lord's Prayer
By Stephen Best, UK**

Great Love; the root and sap of our evolving fullness,
Nudge us forward in our creative potential
So we may flourish for the common good.
In each mindful moment, help us recognise that
We free ourselves from the ghosts of our past
In the release we grant those who have harmed us.
Keep us focussed on what is right
Make us thirsty for what is just.
For it is love, that knows the way,
Shows the way, becomes the way,
To the fulfilment of our eternal call. Amen
