

## Wedding Toast

This was part of a wedding ceremony held in a nightclub/pub.

Everyone was encouraged to get a drink provided by the couple (alcoholic or non-alcoholic) before the start of the ceremony.

We start this part of our ceremony with a toast.  
Has everyone a glass with their preferred beverage?

Two people do not live in isolation.

Their love is a source of strength with which they may nourish, not only each other, but also the world around them. And in turn, we, their community of friends and family, have a responsibility to this couple. By our steadfast care, respect and love, we can support their union and the new family they are creating today.

Lift glass high.

Will everyone please lift your glass and drink to show you will support \_\_\_\_\_ & \_\_\_\_\_.
